

## Avery Dennison™ Soft Grip Tool

Designed with a cushioned grip for user comfort, the Avery Dennison Soft Grip Tool manually attaches price, brand promotion and every other type of tag necessary for the identification and tracking of apparel. The lightweight, non-slip tool features a soft rubber handle and trigger that facilitate a sure grip, even when the humidity is high.

The Soft Grip Tool can be ordered in Standard or Fine Fabric versions to fit application requirements. It utilizes a wide variety of Avery Dennison fasteners.

### Key features and benefits

- Hand tool's cushioned grip provides user comfort and facilitates rapid fastener application by reducing fatigue.
- Ideal for use in apparel retail stores, distribution centers and manufacturing sites.
- Accommodates 50- and 100-fastener clips.
- Standard tool applies nylon and polypropylene fasteners in sizes from .50" to 4.77" (13mm to 121mm), and in a range of colors.
- Fine Fabric tool applies nylon and polypropylene fasteners in sizes from .25" to 2.77" (6mm to 70mm), in natural color.
- Custom color fasteners are available for Standard and Fine Fabric tools.

Soft Grip Standard Tool
