

HP Instant Dry Photo Gloss – Universal

HP Instant Dry Photo Gloss – Universal is a low cost, porous gloss instant dry photo media that is an economical choice for presentation graphics, displays and colour presentations.

A low-cost, gloss photo paper with indoor and outdoor durability for use with HP and non-HP printers.

This photo paper allows for robust handling of instant-dry, beautiful dye and UV ink images that can be laminated immediately, saving time and money.

Perfect for trade shows and event displays, posters and presentations, photo enlargements, art reproduction and Geographic Information Systems (GIS).

Ideal for graphic artists, photo labs, print service providers and sign makers.

HP Instant Dry Photo Gloss – Universal
