A little reminder? Use My Finder!

Verbatim's My Finder is a tracking device that works exclusively with Apple's Find My App. Simply attach the My Finder to any item that you need to keep track of and you can locate the item through the Find My App on your iPhone, iPad and MacBook.

Misplaced keys, bags and other valuables are a thing of the past with Verbatim's My Finder Bluetooth tracker. Simply attach the versatile tag to the item you want to track and use Apple Find My app to locate it when missing.

Within the app's Lost Mode, you can enter your contact details in the event that your missing item is located by someone else in the Apple Find My network.
