### Neomounts by Newstar WL15-650WH1 wall mount tablet holder for 9,7-11" tablets - White

The Neomounts by Newstar WL15-650WH1 is a wall mount tablet holder that can be installed both in portrait and landscape orientation. The clever design includes six different tablet inlay panels which makes the tablet holder compatible with most 9,7-11" tablets, including iPad Pro gen 1-5, iPad Air 1-5, iPad 5-9, Samsung Galaxy Tab A, Tab A7 and Tab S6 Lite.

The tablet holder features an anti-theft lock and can be installed on both wall and VESA mount. The steel construction ensures safe and solid placement while the cable management system enables cables to be routed within the casing.
