Key **Features**

- HDR10 content support
- SuperClear® technology
- Frameless bezel and metallic triangle stand
- Dual HDMI, DisplayPort and mini DP inputs
- 80M:1 dynamic contrast ratio

Product **Description**

Whether for office use or for enjoying entertainment at home, the ViewSonic® VX3276-4K-mhd is designed to take your viewing experience to another level. With SuperClear® VA-Type panel technology and a sleek frameless design, this monitor provides a near-seamless viewing experience ideal for multi-monitor setups. Stunning 4K Ultra HD resolution delivers 4-times more pixels than Full HD monitors, which boosts efficiency and image detail needed for work or play. A mega dynamic contrast ratio of 80M:1 delivers enhanced image depth for a better user experience. Moreover, HDR10 content support delivers vivid colours and brightness that exceeds that of standard monitors. Built-in HDMI, DisplayPort, and mini DP inputs deliver flexible connectivity options for a wide range of devices.
