

ViewSonic®

COMMERCIAL DISPLAY ACCESSORIES

VE-MT-001

Key Features

- Transforms VB-STND-104 into a mobile trolley
- Smooth-rolling wheels with locking casters
- Easy installation for added flexibility

Product Description

The ViewSonic® VE-MT-001 is a mobile kit designed to convert the VB-STND-104 motorised wall mount stand into a fully functional mobile trolley. Featuring smooth-rolling wheels and front locking casters, this accessory adds mobility and flexibility to fixed installations, making it easier to reposition ViewBoard® displays as needed across classrooms, meeting spaces, or training environments. The kit is easy to install and ideal for users seeking a cost-effective way to enable movement without compromising on height adjustability.
